

EMPOWERMENT SERIES COMPANION

Magnetic Abundance- Attracting Wealth Effortlessly

Welcome to the Empowerment Series Companion for Magnetic Abundance!

This companion will assist you on your journey of mastering one of the key areas of life-abundance. When you combine this powerful audio series with your Companion AND your Faster Deeper Bliss meditation you will have a potent process for your transformation into a life of magnificence!

Meditation is the basis for expanding the mind, breaking free of limiting beliefs and restoring balance in the body. It is highly recommended for maximum benefits that you sit in your Faster Deeper Bliss Meditation twice a day for 20 minutes. Once you dissolve your out-dated thought forms of your past through the meditation, you will then have a beautiful blank canvas to embrace new thought forms that will re-shape your life to a whole new level. This is where your Empowerment Series comes in.

Magnetic Abundance- Attracting Wealth Effortlessly will reveal to you the essence of how you can live life abundantly on every level. Before you begin listening to this audio, it is recommended that you spend a few minutes in the first section of this companion. This is an important part of the process that will help you get maximum benefits out of your session. Listening is one thing, but then to capture your insights, and manifest your thoughts on paper really emphasises your cognitions and helps to manifest the outcome.

You will also see at the back of your Companion a reference guide to the books that have been sourced for this audio, which you will find as a great referral for recommended reading for the future!

Ideally you would attend to the first section before you begin, then as you proceed, pause at each chapter to take notes and capture your insights. This is purely optional and something to assist you in adding value to your experience and receiving the most out of your session.

You're simply magnificent and deserve a ridiculously awesome life! So let's get to it!
